

School Tours

Individual tours are scheduled with the Director, either by emailing child.priority.preschool@gmail.com or calling us at 303-424-0336. Visitors are asked to arrive between 9:15am and 9:30am with the tour lasting about 25 minutes. The Director will show all three classrooms, give additional information and answer all questions. Parents are welcome to bring their kids for the tour, but sometimes parents find it easier to gain information and ask questions if they come without kids. 🤝 Enrollment applications may be turned in on a tour for the wait list.

Waiting List

We recommend all interested families fill out an enrollment application via the "Enrollment" page on our website to be put on our free wait list. We will automatically be notified of your submission. All applications are time stamped.

Registration Process

- 1. We hold a “Registration Day” in January. Only current families & siblings enroll in January for the following school year. Current families fill out a new enrollment application and pay the non-refundable Annual Registration Fee and one month's tuition for the following school year. Once enrolled, families are guaranteed a spot for the following school year.**
- 2. After “Registration Day” in January, an email is sent to all alumni families on our waitlist inquiring if they are still interested in enrolling. If interested, alumni families fill out a new enrollment application and pay the non-refundable Annual Registration Fee and one month's tuition. Payment of the Registration Fee confirms enrollment.**
- 3. New families on the wait list will be contacted starting the first week in February. It is based on a first-come-first-serve for enrollment and is processed by the date placed on the wait list. New families wishing to enroll will need to pay the non-refundable Annual Registration Fee and one month's tuition by a given date to confirm enrollment and hold your child's spot at Child Priority.**
