

Preschool & Pre-K Membership Form

(Please return this form with your first tuition payment for 2017-2018)

I have read Child Priority's policies and parent member responsibilities from the online handbook. I accept them as written and agree to fulfill my responsibilities as set out in the policies as a parent member of Child Priority. A school directory will be created with addresses, phone numbers and e-mails. Please notify the school if you do not wish to be listed.

Parent or Guardian's Signature: _____ Date: ____/____/____

We ask each family, as members of Child Priority, to work in the classroom six times per year and to participate in all fundraisers. Each family may choose to fully participate or select an option to fulfill their membership requirements. We also ask that one member from each family participate in our workday on Saturday, August 26th. Please make a selection in each of the four categories below to fulfill membership responsibilities at Child Priority. If you have an optional idea, let us know! Donations are tax deductible: Tax ID #84-1001867. Many families want to be involved on and above the required membership participation. We love having special talents become a part of our "Mayberry" community. Please let us know if you would like to participate in additional ways.
