

Field Trips & Events

2017-2018

Pre-K

Dear Parents,

Here are the scheduled field trips and events for the school year! We think it looks extra fun and inviting. Parents need to drive their own child, stay at each field trip and buy the parent/sibling tickets at the door, or we may collect the parent fees and make one payment at the door, or use your family membership. It depends on the facilities rules. Not all memberships cover the classes, but cover the entry fee. All Child Priority children will have pre-paid tickets. Children attend each field trip only once. If your child attended a field trip on the first day, they will remain at school with several other kids and a teacher for a regular school day, 9-1pm. Usually this consists of about 8-10 kids staying. Thanks so much!
