

Field Trips & Events 2017-2018 Preschool

Dear Parents,

Here are the scheduled field trips and events for the school year! We think it looks extra fun and inviting. Parents need to drive their own child, stay at each field trip. Depending on the facilities rules, parent/sibling may buy tickets at the door, or we will collect adults monies to make one payment or you can use your family membership. Not all memberships cover the classes, but cover the entry fee. All Child Priority children will have pre-paid tickets. Children attend each field trip only once. Thanks so much!

Anderson Farms – October 3 & 4 (Tuesday & Wednesday)

Arrive at the farm at 9:00am Leave for home from the farm by 12:30pm.

Directions & schedule will be emailed several days prior to our field trip.

Our fun-filled autumn day will begin at 9:15am with a class about growing vegetables starting from seeds, then a hayride to the pumpkin field to choose a pumpkin. We will return for washing hands and an early lunch. Then you can explore all the play areas and visit with real animals and go on a free ride on the Mine Cars! Parents and Siblings, children 2 years and older need to purchase a ticket at the gate

All Child Priority kids prepaid - Bring a lunch with drink to eat at Farm

Frog and Toad at the Arvada Center – November 29 & 30 (Wednesday & Thursday)

Arrive at the Arvada Center by 9:30am. Showtime 10am Total field trip time 9:30-11:30am Cost \$9. All CPP kids pre-paid. We will be collecting monies this fall for parents and siblings as the Arvada Center would like one payment. We will head back to school at 11:00am for lunch, outside time and story. Parents may drop off kids in classroom and pick up at 1pm or stay for lunch. :)

Denver Museum of Nature and Science – April 18 & 19 (Wednesday & Thursday)

“The Bear Necessities” class 9:45-12:45pm

Arrive at Museum by 9:30 am Meet at the school entrance on the south side. CPP kids are prepaid Parents & siblings pay in one payment at door. We will collect \$8 cash from each parent. Museum memberships will not cover the “Bear Necessities” class, but will cover parent admission to museum if you do not want to attend the class. Our adventure will include an educational class entitled: “The Bear Necessities!” Kids can become a black bear cub and learn from the mama bear how to walk, eat, and sniff like a bear using dramatic play and hands-on activities. Don't fall asleep for the most important part: how black bears survive the freezing, cold winter. We will also tour the wild life exhibit, visit the discovery zone and have a sack lunch at the museum. Pack a lunch with a drink for you and your child. Please meet us at the museum at 9:30am and plan to head home from the museum by 12:45 pm.
